A Guide to Your Place of **WORSHIP**

In the following pages of this second edition of a **GUIDE TO YOUR PLACE OF WORSHIP** you will find a list of places readily accessible from the various traffic interchanges of the Pennsylvania Turnpike System for travelers who desire to attend religious services.

Starting with Gateway, The Western entrance to the Turnpike, these places of worship are grouped under the name of the Interchange located most conveniently for the traveler desiring to attend religious services of his faith.

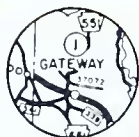

Since the Turnpike now spans the entire state, a distance of 360 magic miles, it is obvious that it is impossible to list all places of worship within easy distance of each of the 29 interchanges. It is our endeavor to list all creeds, but allowable space makes impossible the listing of all places of worship.

The Pennsylvania Turnpike Commission wishes to express its most sincere appreciation to those religious organizations and the many leaders who have cooperated so generously in making this directory possible.
